Dear Parents/Guardians,

Note about Summer School -

If your child has failed Math and/or Reading for the 1st trimester of the school year: Per UCCS policy, any student 2nd through 7th grade who fails Reading or Math two out of three trimesters will be required to attend summer school. If the student fails to pass summer school they will be required to have a retention hearing before the beginning of the next school year. Any student who fails Reading or Math all three trimesters during the school year will be required to have a retention hearing before summer school begins. If students fail two or more trimesters in other courses, they may also be required to attend summer school. The outcome of this hearing may result in the student being retained, or that they are eligible for promotion if they successfully pass the summer term. Please note the following information:
