## INDEPENDENT AUDITOR'S REPORT

Management and Board of Directors  
The University of Chicago Charter School Corporation

### ***Report on the Audit of the Financial Statements***

#### ***Opinion***

We have audited the financial statements of The University of Chicago Charter School Corporation (the Corporation), which comprise the statements of financial position as of June 30, 2022 and 2021, the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Corporation as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Emphasis of Matter***

As discussed in Note 2 to the financial statements, in 2022, the Corporation adopted Accounting Standards Update No. 2016-02, *Leases (Topic 842)*, as amended. In addition, during fiscal year 2022, the Corporation also adopted FASB ASU No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. Our opinion is not modified with respect to these matters.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

### ***Other Matters***

#### *Other Information*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

#### *Supplementary Information*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of on-behalf payment information from Chicago Public Schools (CPS) and the schedule of SPED funding are presented for purposes of additional analysis as requested by CPS and are not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we do not express an opinion or provide any assurance on it.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated October 27, 2022 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

**NOTE 1      SCHOOL BACKGROUND**

On April 10, 1996, the State of Illinois enacted the Charter Schools Law as Public Act 89-450. The law was enacted to: (1) improve pupil learning, (2) increase learning opportunities for all pupils, with a special emphasis placed on expanded learning experiences for at-risk pupils, (3) encourage innovative teaching methods, (4) allow for the development of innovative forms of measuring learning and achievement, (5) create new professional opportunities for teachers, (6) provide parents and pupils with expanded educational choices, (7) encourage parental and community involvement, and (8) hold charter schools accountable for meeting vigorous school content standards.

On July 1, 1998, the Chicago School Reform's Board of Trustees granted The University of Chicago Charter School Corporation (the Corporation) a charter in accordance with the Charter Schools Law. The Corporation currently operates three public school campuses: North Kenwood/Oakland, Donoghue, and Woodlawn.

The North Kenwood/Oakland School, which opened in Fall 1998, provides instruction to pupils in pre-kindergarten through the fifth grade.

The Donoghue School, which opened in September 2005, provides instruction to pupils in pre-kindergarten through the fifth grade.

The Woodlawn School (UCW), which opened in Fall 2006, provides instruction to pupils in sixth through 12th grades.

The Corporation is operated by the Urban Education Institute of the University of Chicago (UEI), a unit of the University of Chicago (the University). The Corporation is controlled by the University as it is the sole member of the Corporation. The University provides funding for the start-up costs of certain campuses and other private gifts to the Corporation.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Corporation have been presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**THE UNIVERSITY OF CHICAGO  
CHARTER SCHOOL CORPORATION**  
Notes to Financial Statements  
For the Years Ended June 30, 2022 and 2021

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Financial Statement Presentation

The financial statements are prepared in conformity with accounting principles applicable to nonprofit organizations. For financial reporting purposes and in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 958, *Not-for-Profit Entities*, net assets and revenue are classified on the basis of the existence or absence of donor-imposed restrictions, as follows:

*Without Donor Restrictions:* Net assets not subject to donor-imposed stipulations over which the Corporation's Board of Directors has discretionary control.

*With Donor Restrictions:* Net assets subject to donor-imposed restrictions that can be fulfilled by the actions of the Corporation pursuant to those stipulations or that expire by the passage of time.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Corporation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Fixed Assets

Fixed assets include leasehold improvements and furniture, fixtures, and equipment.

Leasehold improvements are recorded at cost. Repairs and maintenance are charged to expense as incurred. Amortization of leasehold improvements is computed on a straight-line basis over the terms of the respective leases.

Furniture, fixtures, and equipment are stated at cost at the date of acquisition and are depreciated using the straight-line method over their estimated useful lives. The applicable useful life of furniture, fixtures, and equipment is three to seven years.

Fixed assets of \$5,000 or more, in general, are depreciated or amortized over their applicable useful lives.

Long-lived assets, such as leasehold improvements or furniture, fixtures, and equipment, are reviewed for impairment when events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable.

**THE UNIVERSITY OF CHICAGO  
CHARTER SCHOOL CORPORATION**  
Notes to Financial Statements  
For the Years Ended June 30, 2022 and 2021

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Fixed Assets *(continued)*

Recoverability of assets to be held and used is measured by comparing the carrying amount of an asset to the estimated undiscounted future cash flows the asset is expected to generate. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment loss will be recognized. The impairment loss will be the amount by which the carrying amount exceeds the fair value of the asset. Assets to be disposed of are presented separately in the statements of financial position and reported at the lower of the carrying amount or fair value, less costs to sell, and are no longer depreciated. There were no fixed asset impairment losses recorded in fiscal years 2022 and 2021.

Revenue

The Corporation recognizes revenue based on the accrual basis of accounting. According to these principles, revenue is recognized when it is realized and earned, meaning when the services are provided, and collectability is reasonably assured.

Unearned Revenue

Unearned revenue at June 30, 2022 and 2021 represents student fees collected for the next fiscal year.

Contributions

Contributions are stated at fair value. Contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Reimbursements Receivable

Reimbursements receivable consist mainly of pre-kindergarten and grant reimbursements and are stated at unpaid balances. No provision for doubtful accounts has been made since all receivables were considered by management to be collectible.

CHARTER SCHOOL CORPORATION**  
Notes to Financial Statements  
For the Years Ended June 30, 2022 and 2021

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Pledges Receivable

Pledges receivable represent unconditional promises to give. Pledges are reported at fair value and included with due from the University in the statements of financial position. For pledges expected to be collected in more than one year, fair value of the pledges is measured using the present value of estimated future cash flows the Corporation expects to collect. There were no pledges receivable at June 30, 2022 and 2021.

Due from/to the University

The University conducts fundraising campaigns to support the Corporation, in addition to public funding. Due from the University represents unspent gift balances raised by the University for the Corporation and cash collected by the University from the Corporation's donors. Due to the University may arise if payments to vendors by the University on behalf of the Corporation exceed the unspent gift balances and cash collected by the University on behalf of the Corporation. There were no amounts due to the University at June 30, 2022 and 2021.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the accompanying statements of activities. The functional classification of expenses presents the natural classification details of expenses by function. Expenses directly attributable to a specific functional area of the Corporation are reported as expenses to those functional areas while indirect costs that benefit multiple functional areas have been allocated among the various functional areas using a cost allocation method based on time and effort.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue, expenses, gains, and losses during the reporting period. Actual results could differ from those estimates.

Donated Services

Donated services are recorded at fair value at the date of donation and recognized as contributions and expenses in the accompanying financial statements. Services provided by the University's employees are disclosed in Note 3 and services provided by Chicago Public Schools (CPS) are disclosed in Note 12.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Uncertain Tax Positions

U.S. GAAP defines how uncertain tax positions should be recognized, measured, presented, and disclosed in the financial statements. It requires entities to recognize a tax benefit from an uncertain tax position only if it is more-likely-than-not that the position is sustainable, based solely on its technical merits and consideration of the relevant taxing authority's widely understood administrative practices and precedents. The Corporation has evaluated its tax positions taken or expected to be taken to determine whether the tax positions are more-likely-than-not to be sustained by the applicable taxing authority, and has determined that it currently does not have any uncertain tax positions as of June 30, 2022.

Reclassifications

Certain items previously reported in the prior-year financial statements have been reclassified to conform to the current-year financial statement presentation. These reclassifications have had no effect on the Corporation's financial position, activities and changes in net assets, or cash flows.

Adopted Accounting Pronouncements

During fiscal year 2022, the Corporation adopted FASB Accounting Standards Update (ASU) 2016-02, *Leases*. ASU 2016-02 changes the accounting for leases, primarily by lessees in operating leases, by requiring: (a) the recognition of (i) a lease asset (right of use) and a lease liability, initially measured at the present value of the lease payments, in the statement of financial position and (ii) a single lease cost, calculated so that the cost of the lease is allocated over the lease term, generally on a straight-line basis, and (b) the classification of all lease payments within the operating activities in the statement of cash flows. Based on the above, the adoption of ASU 2016-02 required the Corporation to include on the statements of financial position the value of the right to use asset and right to use liability and corresponding disclosures. As permitted by the ASU, for leases with a term of 12 months or less as a lessee, the Corporation has elected not to recognize lease assets and liabilities and account for the lease similar to existing guidance for operating leases. Also, for practical expediency, the Corporation has opted not to apply this standard to an existing finance lease. The guidance did not materially impact the Corporation's results of operations.

Adopted Accounting Pronouncements *(continued)*

In addition, during fiscal year 2022, the Corporation also adopted FASB ASU No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The ASU requires nonprofits to change their financial statement presentation and disclosure of contributed nonfinancial assets, or gifts-in-kind. Under the new standard's requirements, gifts-in-kind are to be presented as a separate line item, instead of remaining grouped among contributions of cash or other financial assets, on the statements of activities. The ASU requires the new standard to be applied retrospectively, with amendments taking effect for annual reporting periods beginning after June 15, 2021. Based on the above, contributed nonfinancial assets have been presented separately on the statement of activities for both fiscal year ended 2022 and 2021 and related disclosures updated. The guidance did not materially impact the Corporation's results of operations.

**NOTE 3 PRIVATE GIFTS, STUDENT FEES, GRANTS, AND CONTRIBUTIONS**

Details of each source of assets included in due from the University as of June 30, 2022 and 2021, are described below.

Gifts Receivable

Gifts are restricted for supporting the program purposes. At June 30, 2022 and 2021, gifts receivable from the University amounted to \$387,124 and \$608,144, respectively, and are recorded in net assets with donor restrictions.

Endowments Held by the University for the Benefit of the Corporation

The University holds endowments for the Corporation's benefit, with fair values of \$8,822,815 and \$9,546,209 as of June 30, 2022 and 2021, respectively. These endowments are invested with the University's endowment funds in the total return investment pool, a diversified portfolio of investments among various asset classes, managed by the University, with the objective of earning equity-like returns with less volatility. The Corporation has no control over the timing and amount of payouts from its endowment funds held by the University. The Corporation's endowment funds held by the University are recorded in net assets with donor restrictions. Distributions from the University are recorded upon receipt.

**NOTE 5 FIXED ASSETS**

Fixed assets at June 30, 2022 and 2021, consisted of the following:

Leases

In August 2000, the Corporation entered into an operating lease agreement with the Chicago Board of Education for the North Kenwood/Oakland Charter School. The lease agreement requires rental payments to be paid to the University in support of the various programs it offers to nearby Chicago public elementary and high schools. In 2008, the University, after considering its ongoing support of Chicago's public schools, discontinued the rent requirement of the lease. The Corporation has estimated the fair value of the rental payments to be \$569,393 and \$460,494 for the years ended June 30, 2022 and 2021, respectively. These amounts are included in the amounts of in-kind contributions and general and administrative expenses for the years ended June 30, 2022 and 2021.

In July 2018, the Corporation entered into an operating lease agreement with the Chicago Board of Education through June 30, 2023, for the Donoghue campus. The lease term is subject to early termination if the Corporation's charter expires or if the Corporation ceases to operate the Donoghue campus. Rental payments are expected to be \$1 annually. The Corporation has estimated the fair value of the rental payments to be \$1,685,402 and \$1,363,063 for the years ended June 30, 2022 and 2021, respectively. These amounts are included in the amounts of in-kind contributions and general and administrative expenses for the years ended June 30, 2022 and 2021.

Effective January 1, 2018, the Corporation entered into a 10-year operating lease agreement with the University, whereby the Corporation began paying the University \$407,397 annually starting on July 1, 2018. The Corporation recognizes lease liabilities and their corresponding right of use (ROU) assets at the lease commencement date, and initially measures the lease liabilities and ROU assets using the present value of lease payments over the defined lease term discounted using the incremental borrowing rate or risk-free rate. Lease terms may include options to extend or terminate certain leases. The value of a lease is reflected in the valuation if it is reasonably certain management will exercise an option to extend or terminate a lease. For the years ended June 30, 2022 and 2021, the Corporation paid \$407,397.

Litigation

Various lawsuits, claims, and other contingent liabilities arise during the ordinary course of the Corporation's educational activities. In management's opinion, all related matters have been adequately provided for, are without merit, or are of such that if disposed of unfavorably, would not have a material adverse effect on the Corporation's financial position.

Retirement Commitments

The Corporation participates in the Public School Teachers' Pension and Retirement Fund of Chicago (CTPF), a defined benefit plan. Participation in CTPF is mandatory for all members of the teaching force who hold an Illinois State Teacher Certification Board certification.

On a discretionary basis, the Corporation has elected to pay a portion of the employees' required contributions to CTPF. CTPF does not maintain separate actuarial records for the Corporation.

In addition, the Corporation also participates in the Teachers Insurance and Annuity Association of America – College Retirement Equities Fund (TIAA-CREF). Employees of the Corporation who are at least 21 years of age or who have completed one year of employment will be able to invest in TIAA-CREF defined contribution retirement annuities, also known as tax-sheltered annuities.

Retirement Commitments *(continued)*

The Corporation's TIAA-CREF Tax-Sheltered Annuity (TSA) is available to those employees who do not contribute to CTPF. Full-time benefits eligible employees cannot participate in the CTPF and TSA at the same time. All full-time benefits eligible employees will be able to make voluntary contributions to the Charter School Tax-Deferred Annuity Plan (TDA) up to the statutory limits.

The TSA is a defined contribution, Internal Revenue Code (IRC) Section 403(b) plan. A participant's defined contribution benefit is based on his or her account balance at the time of election to receive benefit payment and the form of payment selected. Participant contributions of 3% of employee compensation each pay period are matched by the Corporation's contributions of 3% to the defined contribution plan. The defined contribution account is invested at the direction of the employee with TIAA-CREF. Contributions paid by the Corporation for the TSA during the school years ended June 30, 2022 and 2021, were \$39,427 and \$43,808, respectively.

The TDA is a voluntary defined contribution program that provides an opportunity to save additional money for retirement through tax-deferred savings. Under the TDA, the employee may elect to contribute a specific dollar amount from each paycheck to a TIAA-CREF retirement annuity custodial account. The Corporation does not contribute to the TDA.

**NOTE 7 RETIREMENT PLAN**

On behalf of eligible employees, the Corporation at its discretion pays 5.5% of the mandatory 9% of Certified Employees Salaries (CES) to CTPF. In addition, CPS requires a payment of 11.16% of CES.

**NOTE 8 NET ASSETS WITH DONOR RESTRICTIONS**

Gifts received and pledges receivable held by the University for the benefit of the Corporation are restricted as the restrictions are imposed by the donors. At June 30, 2022 and 2021, net assets with donor restrictions were available for the following purposes or periods:

	<u>2022</u>	<u>2021</u>
Scholarships	\$ 26,315	\$ 44,127
General support of the schools	360,809	564,017

<b>Total net assets with donor restrictions</b>	<b>\$ 9,209,939</b>	<b>\$ 10,154,353</b>

**NOTE 9 NET ASSETS RELEASED FROM RESTRICTIONS**

During the fiscal years ended June 30, 2022 and 2021, net assets were released from restrictions by incurring expenses that satisfied the restricted purposes of academic and social support, professional development, scholarships, and general support of the schools, and totaled \$608,144 and \$348,072, respectively.

**NOTE 10 TAX-EXEMPT STATUS**

The Corporation has received a determination letter from the Internal Revenue Service indicating that it qualifies as a tax-exempt organization under Section 501(c)(3) of the IRC and is exempt from Federal and state income taxes.

The Corporation files income tax returns in the U.S. federal jurisdiction. Management believes that the Corporation is no longer subject to U.S. federal income tax examinations by tax authority for years before 2018.

**NOTE 11 FEDERAL E-RATE PROGRAM**

During 2022 and 2021, the Corporation received federal assistance from the Schools and Libraries Program of the Universal Service Fund, commonly known as the (E-Rate) program. E-Rate is administered by the Universal Service Administrative Company (USAC) under the direction of the Federal Communications Commission. E-Rate's objective is to provide discounts, thereby assisting most schools and libraries in the U.S. to obtain affordable telecommunications and Internet access.

Notes to Financial Statements  
For the Years Ended June 30, 2022 and 2021

**NOTE 11 FEDERAL E-RATE PROGRAM** *(continued)*

The Corporation obtained approved commitments of \$104,825 and \$58,767 of assistance under the E-Rate program from USAC in 2022 and 2021, respectively, to purchase eligible telecommunication equipment and services. During fiscal years 2022 and 2021, the Corporation paid \$82,394 and \$42,487, respectively, in telecommunication costs to its vendors, which will be reimbursed by USAC.

**NOTE 12 CHICAGO PUBLIC SCHOOLS CONTRIBUTED SERVICES**

CPS contributes certain services to the Corporation. Services included rent and food service as follows:

	<u>2022</u>	<u>2021</u>
Rent	\$ 2,254,795	\$ 1,823,558
Food service	<u>633,082</u>	<u>257,485</u>
<b>Total CPS contributed services</b>	<u>\$ 2,887,878</u>	<u>\$ 2,081,043</u>

These contributed services are reported in the statements of activities as government grants and contracts. Also, the expenditures for these services are reported in school day classroom and general and administrative expenses.

**NOTE 13 WOODLAWN HIGH SCHOOL INITIATIVE**

During fiscal year 2018, the University completed construction and retained ownership of the school building for the University of Chicago Woodlawn (UCW) High School at a cost of \$24.5 million. UCW High School moved to the new building in January 2018. The University and the Corporation entered into a 10-year lease agreement, with three consecutive 10-year extension options, all on the same terms, whereby the Corporation began paying the University \$407,397 annually starting on July 1, 2018. During fiscal years 2022 and 2021, the Corporation paid \$407,397 for rent.

**NOTE 14 RELATED-PARTY TRANSACTIONS**

The Corporation enters into various types of transactions with the University, including with the UEI. Details of those transactions and related amounts are discussed in earlier notes to these financial statements.

**NOTE 15 FINANCIAL ASSETS AND LIQUIDITY**

Financial assets available for general expenditure, excluding amounts restricted by donors and the Board-designated fund, within one year of the statements of financial position date are comprised of the following:

	<u>2022</u>	<u>2021</u>
<i>Financial assets at year end</i>		
Cash and cash equivalents	\$ 3,405,535	\$ 3,965,126
Reimbursements and gifts receivable	1,556,213	956,565
Endowments held by the University	<u>8,822,815</u>	<u>9,546,209</u>
Total financial assets	<u>13,784,563</u>	<u>14,467,900</u>
<i>Less: Amounts not available to be used within one year</i>		
Amounts restricted by donors as to purpose	<u>(8,822,815)</u>	<u>(9,546,209)</u>
<b>Financial assets available to meet general expenditures over the next 12 months</b>	<u>\$ 4,961,748</u>	<u>\$ 4,921,691</u>

The Corporation manages liquidity by maintaining collections of accounts receivable. In the event of an unanticipated liquidity need, the Organization can borrow from the University resources for short-term needs.

**NOTE 16 SUBSEQUENT EVENTS**

The Corporation evaluated subsequent events through October 27, 2022, the date the financial statements were available to be issued, and determined that there were no additional subsequent events to be recognized or disclosed in the financial statements.

Notes to Schedule of Expenditures of Federal Awards  
For the Year Ended June 30, 2022

**NOTE 1 BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the grant expenditures of The University of Chicago Charter School Corporation (the Corporation) for the year ended June 30, 2022. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Corporation, it is not intended to, and it does not, present the financial position, changes in net assets, or cash flows of the Corporation.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES**

Expenditures reported on the Schedule are on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, where in certain types of expenditures are not allowable or are limited as to reimbursement period. The Corporation has not elected to use the 10% de minimus indirect cost rate allowed under the Uniform Guidance.

**NOTE 3 RECONCILIATION OF SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS TO FINANCIAL STATEMENTS**

The following table presents a reconciliation of the total federal expenditures reported in the Schedule to the government grants and contracts on the financial statements:

Total federal expenditures per the Schedule	\$ 2,824,654
Add: CPS non-federal funding	15,857,342
Add: State funding	<u>1,104,434</u>

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER  
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Management and Board of Directors  
The University of Chicago Charter School Corporation

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of The University of Chicago Charter School Corporation (the Corporation), which comprise the statement of financial position as of June 30, 2022, the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 27, 2022.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited The University of Chicago Charter School Corporation's (the Corporation) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Corporation's major federal programs for the year ended June 30, 2022. The Corporation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Corporation complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Corporation's compliance with the compliance requirements referred to above.

### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Corporation's federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Corporation's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Corporation's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Corporation's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Corporation's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## Report on Internal Control Over Compliance

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose

COMPLIANCE WITH REQUIREMENTS OF APPLICABLE LAWS  
AND REGULATIONS PRESCRIBED BY ADMINISTERING AGENCY**

Management and the Board of Directors  
The University of Chicago Charter School Corporation

We have examined The University of Chicago Charter School Corporation's (the Corporation) compliance, during the year ended June 30, 2022, with the laws and regulations listed in the second paragraph of this report, which were provided by the Corporation's administering agency, the Chicago Public Schools (CPS). Management is responsible for the Corporation's compliance with the specified requirements. Our responsibility is to express an opinion on the Corporation's compliance with the specified requirements based on our examination.

The applicable laws and regulations agreed to by the Corporation and CPS included the following:

- Open Meetings Act (5 ILCS 120/1.01 *et. seq.*)
- Fingerprint-based Criminal Background Investigations and Checks of the Statewide Sex Offender Database & Statewide Child Murderer and Violent Offender Against Youth Database (105 ILCS 5/10-21.9 & 105 ILCS 5/34-18.5)
- Illinois School Student Records Act (105 ILCS 10/1 *et. seq.*)

- Management and Financial Controls (Charter School Agreement)
- Insurance (Charter School Agreement)

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Corporation complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Corporation complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Corporation's compliance with specified requirements.

In our opinion, the Corporation complied, in all material respects, with the aforementioned requirements for the year ended June 30, 2022.

This report is intended solely for the information and use of the Corporation's Board of Directors and management, and the CPS, and is not intended to be, and should not be, used by anyone other than these specified parties.
